

Progress at Our Parks

O'Brien Park Improvements

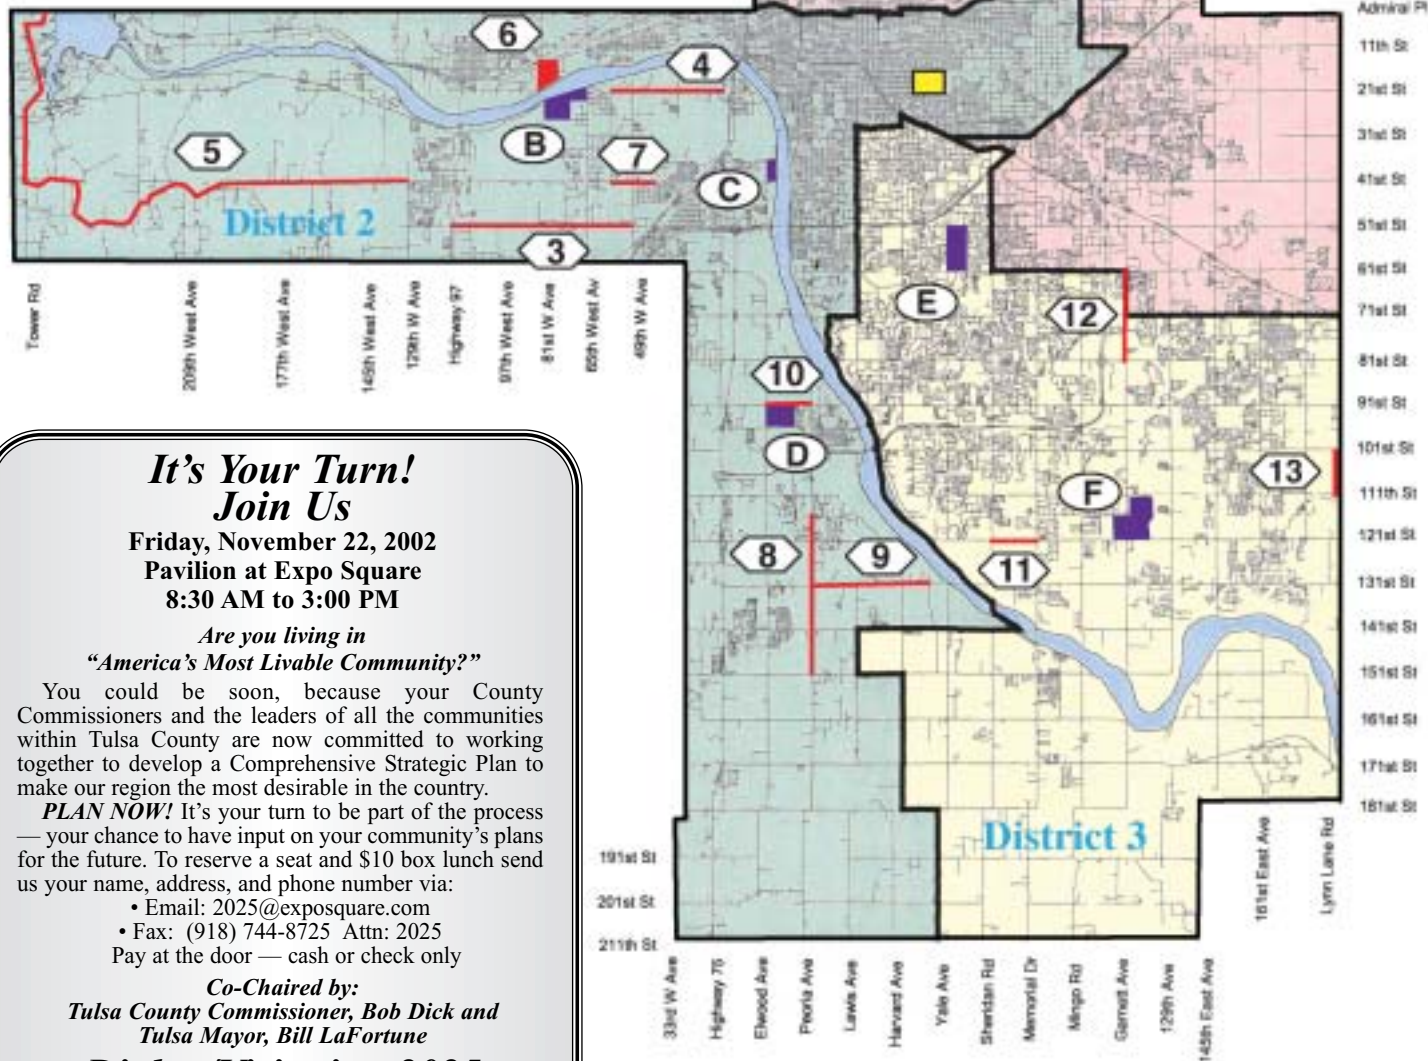

Significant progress is being made on O'Brien Park's new restroom buildings, and the Community Center restroom improvements.

Attention Golfers!

Take a drive around LaFortune (if you haven't already been caught "rubbernecking" the improvements) and check out the changes to the Championship Course!

How's this for progress . . . all new greens have been seeded (many are already being mowed), the lake, turf, and cart path work are well underway, and bunker sand is being placed. The future of public golf arrives in Tulsa County with the re-opening of the all-new course in May 2003. In the meantime REMEMBER South Lakes remains open, and golfers there will soon appreciate the new tournament pavilion.

In response to requests from park users, scheduled improvements to the LaFortune Par 3 Lake are being accelerated and may be completed as early as spring.

- (13)** S. 193rd E. Ave. — 101st to Creek

New Barns "A" and "B" during the Tulsa State Fair

Tulsa State Fair Breaks Record

"Dear Citizens,

We're thrilled with the response to this year's fair, considering the economic downturn. In fact, one of the days this year was the best we've ever had in our State Fair's history! The comments from the participants about the facilities were quite favorable, and we are pleased with the public's response to our improvements at Expo Square. Thank you for your continued support of Expo Square and the Tulsa State Fair.

Also, thanks to your support of '4 to Fix,' the new shows that have come since the arena and barns were completed have raved, and each show represents large amounts of money spent in the community for hotels, restaurants, gifts, and more."

Denny Tuttle, Pres./CEO Expo Square

Commissioner Dick meets with Denny Tuttle and MATRIX Architects Engineers on another "4 to Fix" project - Central Park at Expo Square.

It's Your Turn! Join Us

Friday, November 22, 2002
Pavilion at Expo Square
8:30 AM to 3:00 PM

Are you living in
"America's Most Livable Community?"

You could be soon, because your County Commissioners and the leaders of all the communities within Tulsa County are now committed to working together to develop a Comprehensive Strategic Plan to make our region the most desirable in the country.

PLAN NOW! It's your turn to be part of the process — your chance to have input on your community's plans for the future. To reserve a seat and \$10 box lunch send us your name, address, and phone number via:

- Email: 2025@exposquare.com
- Fax: (918) 744-8725 Attn: 2025

Co-Chaired by:

Tulsa County Commissioner, Bob Dick and
Tulsa Mayor, Bill LaFortune

Dialog/Visioning 2025

Road Projects Progressing

Key roadway projects are nearing the construction phase as plans are completed, utilities are re-located and projects are readied for bid. Beginning this winter and into spring, significant roadway work will take place in all three Commission Districts. Look on the map to find the projects in your area.

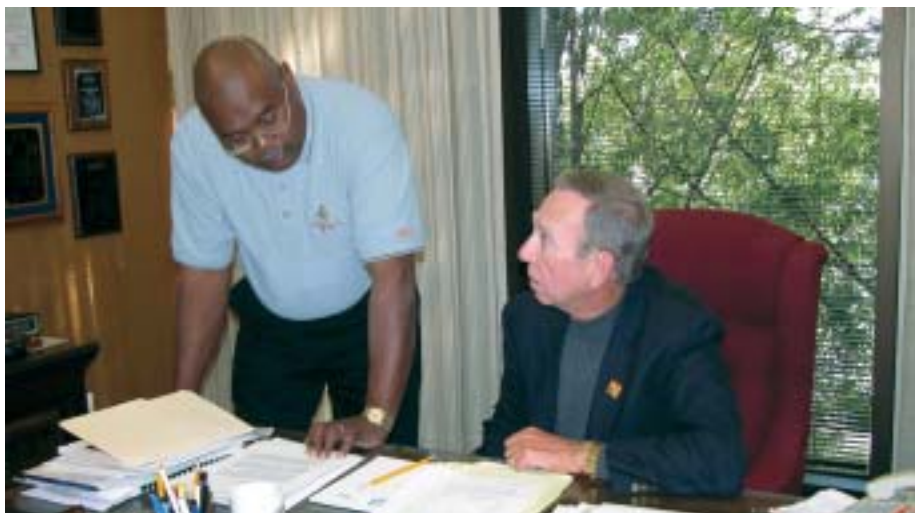

Resurfacing of West 21st Street is complete.

Flood Mitigation

Development of the county's flood mitigation action plan is progressing on schedule. In addition to the Countywide plan for all unincorporated areas, planning is underway to accelerate flood mitigation in some of the smaller areas with chronic flooding.

Commissioners Collins and Dick reviewing the latest "4 to Fix" report by Matrix PMg on flood mitigation.
